How foolish can you be? After starting your new lives in the Spirit, why are you now trying to become perfect by your own human effort?

“Brothers and sisters, my charge for you is to capture a fresh vision for this more biblical, robust faith. The gospel is not about allowing God to play a small role in our drama. No, the gospel is becoming swept up into His great drama. It is about our dying to self, taking up the cross, and being swept up into this great unfolding story. We are all moving towards and being summed by Christ himself to that great day when the strong man is finally disarmed for good, the lepers are cleansed, all lost sons have come home, the great debt is wiped out,” ...

Dr. Timothy Tennant

“the door of the Father’s house is flung open wide, the lost sheep are all found, the poor and the beggars are seated at the great Banquet, the disenfranchised workers have been paid their full wages, the lost coin has been found, the pearl of great price has been unearthed, the church, the bride of Christ has been made spotless. The acceptable year of God’s favor has finally come! This is the restorative vision to which Christ summons us – nothing less than the full recovery of biblical Christianity. Amen.”
